## Enhancing Patient Safety and Quality Nursing Care

Organized by- School of Nursing, BCH, Tezpur

## **Dear Friends,**

Greetings from Baptist Christian Hospital, Tezpur. The Management, Faculty and The Staff of Baptist Christian Hospital have great pleasure inviting you to the **2<sup>nd</sup> state level seminar on “ENHANCING PATIENT SAFETY AND QUALITY NURSING CARE”** which will be held on 15<sup>th</sup> February 2018.

## **About us**

The Baptist Christian Hospital, Tezpur is a 120-bedded hospital that is situated in the Sonitpur district of Assam. The hospital was established in 1954. It is a charitable hospital registered as a society under the Society Registration Act of India; 1860.

## **About the Seminar**

Patient safety is the cornerstone of high-quality health care. Much of the work defining patient safety and practices that prevent harm have focused on negative outcomes of care, such as mortality and morbidity. Nurses are critical to the surveillance and coordination that reduce such adverse outcomes.

The concept of quality care includes the dimensions of appropriateness, effectiveness and efficiency. Quality of care is no small challenge it requires consultation and patient centered interdisciplinary collaboration.

Keeping this view Baptist Christian Hospital is organizing a state level seminar on **“ENHANCING PATIENT SAFETY AND QUALITY NURSING CARE”** that would serve as a base for nurses to have better understanding of safety and quality nursing practice and to develop a desirable attitude and knowledge to provide high quality holistic care.

## **Objective of the Seminar**

The seminar will focus on strategies towards improving the Safety and Quality of Nursing Care provided to the patients. It will help the delegates to enhance the knowledge and will motivate them towards incorporating those strategies in their nursing practice.
